## Education

**R.V.S College of Engineering and Technology**                   Nov 2021- May 2025
*Bachelor of Technology in Computer Science and Engineering (CGPA-8.42)*          *Jamshedpur,Jharkhand*

**St. Xavier's College,Ranchi**                                          June 2020
*Intermediate (Percentage-79.60)*                                        *Ranchi,Jharkhand*

**Amoli Apurva High School**                                              May 2018
*Matriculation (Percentage-83.40)*                                     *Hazaribagh,Jharkhand*

## Projects

**2048 Game** | *HTML,CSS,JAVASCRIPT*                    **GitHub** | **Live Link** | **Demo Video**
- Developed a fully functional responsive **2048 game** using **HTML**, **CSS**, and **JavaScript.**
- Crafted an engaging **user interface** with sleek design for seamless interaction.
- Demonstrated **problem-solving skills** through **algorithmic logic** for game mechanics and user interactions.

**Bulletin 24/7** | *HTML,CSS,JAVASCRIPT*                              **GitHub** | **Demo Video**
- Developed **Bulletin24/7** news website with **HTML**, **CSS**, **JavaScript**, and **API** integration.
- Implemented real-time news updates using **NEWS API** for a dynamic user experience.
- Showcased strong web development skills in creating an interactive platform.

**Resume Builder** | *HTML,CSS,JAVASCRIPT*               **GitHub** | **Live Link** | **Demo Video**
- Created a dynamic resume builder using **HTML**, **CSS**, and **JavaScript**, streamlining the resume creation process.
- Developed a **user-friendly** platform allowing users to input their information and **export** resumes effortlessly.
- Empowered users to showcase **skills** and experience efficiently, improving **job application** outcomes.

## Achievements

- Got Selected in **Amazon ML Summer School** among 46000+ students.
- Achieved **All India Rank 55** in Coding World Cup organized by (**Coding Ninjas** ↗ ).
- Achieved **All India Rank 390** and **Global Rank 915** in a LeetCode BiWeekly Contest 121.
- Ranked Top **8%** in **Leetcode** ↗ with max rating **1847** and solved **230+** problems.
- Institute **Rank 4** Coder on GeeksforGeeks and solved **450+** problems (**GFG** ↗ ).
- Received certificate for excellence in **Problem-solving through programming** in **NPTEL** ↗ from **IIT KGP.**
- Received certificate for excellence in **Design and Analysis Of Algorithm** in **NPTEL** ↗ from **IIT Madras.**

## Technical Skills

**Languages**: C , C++ , HTML , CSS , JavaScript , SQL

**Developer Tools**: VS Code, Eclipse , Sublime Text

**Technologies/Frameworks**: Github, Tailwind CSS

## Relevant Coursework

- Data Structures
- Algorithms Analysis
- OOPs
- Theory of Computation
- Operating Systems
- Database Management
- PPS
- Digital Electronics

## Extra-Curricular Activities

- Technical team co-ordinator in college fest - PROVENANCE 3.0.
- Champion of the Volleyball Tournament at Frolic College Fest (Inter-branch competition).
